

Detail 1 - Floor

- concrete slab above
- waterproofing with drain
- structural reinforcement
- mesh floor
- concrete waterproof membrane
- concrete slab edge
- kerley channel structure
- secondary structure structure
- main structure structure - beams

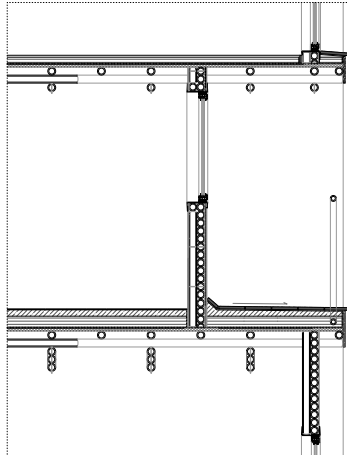

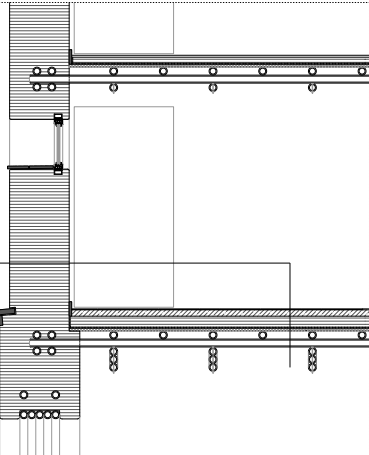

Detail 2 - Floor level

- wooden finishing layer - vapor barrier
- structural reinforcement
- waterproofing with base
- structural mesh floor
- structural reinforcement
- kerley channel structure
- secondary structure structure
- main structure structure - beams

Detail 3 - Floor

- tile finishing layer
- waterproofing with drain
- structural reinforcement
- structural mesh floor
- concrete slab edge
- kerley channel structure
- secondary structure structure
- main structure structure - beams

Detail 4 - Foundation and storage

- stone finishing layer
- mesh floor
- mesh floor with kerley
- structural reinforcement
- structural reinforcement structure
- secondary structure structure
- secondary structure structure
